industry sector in the county in which the applicant's business is located but there is more than one (1) business in that NAICS industry sector in Indiana; or

(iii) to all employees working in the same county as the county in which the applicant's business is located, if there is no other business in Indiana in the same NAICS industry sector to which the applicant's business belongs.

of the unit that establishes the redevelopment commission may enter into an agreement with the Indiana economic development corporation establishing the terms and conditions governing a district designated under section 13 of this chapter. The agreement must include the following provisions:

(1) A description of the area to be included within the district.

(2) Covenants and restrictions, if any, on all or part of the properties contained within the district, and terms of enforcement of any covenants or restrictions.

(3) The financial commitments of any party to the agreement and of any owner or developer of property in the district.

(4) The terms of any commitment required from a public or private institution for support of the operations and activities within the district.

(b) If public facilities developed under an agreement entered into under this chapter are conveyed or leased at less than fair market value or at below market rates, the terms of the conveyance or lease must include legal and equitable remedies and rights to assure that the public facilities are used for cultural or performing arts purposes. Legal and equitable remedies and rights may include penalties and actual or liquidated damages.

Sec. 16. (a) Subject to the approval of the legislative body of the unit that establishes the redevelopment commission, the redevelopment commission may adopt a resolution designating a district as an allocation area for purposes of the allocation and distribution of property taxes.

(b) After adoption of the resolution under subsection (a), the

**C

1 redevelopment commission shall:

2 (1) publish notice of the adoption and substance of the
3 resolution in accordance with IC 5-3-1; and

4 (2) file the following information with each taxing unit that
5 has authority to levy property taxes in the geographic area
6 where the district is located:

7 (A) A copy of the notice required by subdivision (1).

8 (B) A statement disclosing the impact of the district,
9 including the following:

10 (i) The estimated economic benefits and costs incurred
11 by the district, as measured by increased employment
12 and anticipated growth of real property assessed values.

13 (ii) The anticipated impact on tax revenues of each
14 taxing unit.

15 The notice must state the general boundaries of the district and
16 that written remonstrances may be filed with the redevelopment
17 commission until the time designated for the hearing. The notice
18 must also name the place, date, and time when the redevelopment
19 commission will receive and hear remonstrances and objections
20 from persons interested in or affected by the proceedings
21 pertaining to the proposed allocation area and will determine the
22 public utility and benefit of the proposed allocation area. The
23 redevelopment commission shall file the information required by
24 subdivision (2) with the officers of the taxing unit who are
25 authorized to fix budgets, tax rates, and tax levies under
26 IC 6-1.1-17-5 at least ten (10) days before the date of the public
27 hearing. All persons affected in any manner by the hearing,
28 including all taxpayers within the taxing district of the
29 redevelopment commission, are considered notified of the
30 pendency of the hearing and of subsequent acts, hearings,
31 adjournments, and orders of the redevelopment commission
32 affecting the allocation area if the redevelopment commission gives
33 the notice required by this section.

34 (c) At the hearing, which may be recessed and reconvened
35 periodically, the redevelopment commission shall hear all persons
36 interested in the proceedings and shall consider all written
37 remonstrances and objections that have been filed. After
38 considering the evidence presented, the redevelopment commission
39 shall take final action determining the public utility and benefit of
40 the proposed allocation area and confirming, modifying and
41 confirming, or rescinding the resolution. The final action taken by
42 the redevelopment commission shall be recorded and is final and

**C

conclusive, except that an appeal may be taken in the manner prescribed by section 17 of this chapter.

Sec. 17. (a) A person who files a written remonstrance with the redevelopment commission under section 16 of this chapter and who is aggrieved by the final action taken may, within ten (10) days after that final action, file with the office of the clerk of the circuit or superior court of the county a copy of the redevelopment commission's resolution and the person's remonstrance against the resolution, together with the person's bond as provided by IC 34-13-5-7.

(b) An appeal under this section shall be promptly heard by the court without a jury. All remonstrances on which an appeal has been taken shall be consolidated and heard and determined within thirty (30) days after the time of filing of the appeal. The court shall decide the appeal based on the record and evidence before the redevelopment commission, not by trial de novo, and may confirm the final action of the redevelopment commission or sustain the remonstrances. The judgment of the court is final and conclusive, unless an appeal is taken as in other civil actions.

Sec. 18. (a) An allocation provision adopted under section 16 of this chapter must:

(1) apply to the entire district; and

(2) require that any property tax on taxable property subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes in the district be allocated and distributed as provided in subsections (b) and (c).

(b) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(1) the assessed value of the taxable property for the assessment date with respect to which the allocation and distribution are made; or

(2) the base assessed value;

shall be allocated and, when collected, paid into the funds of the respective taxing units.

(c) Except as provided in subsection (d), all the property tax proceeds that exceed those described in subsection (b) shall be allocated to the redevelopment commission for the district and, when collected, paid into the cultural and performing arts development fund established under section 24 of this chapter.

(d) Before July 15 of each year, the redevelopment commission shall do the following:

**C
o
p
y**

(1) Determine the amount, if any, by which the property tax proceeds to be deposited in the cultural and performing arts development fund will exceed the amount necessary for the purposes described in section 24 of this chapter.

(2) Notify the county auditor of the amount, if any, of excess tax proceeds that the redevelopment commission has determined may be allocated to the respective taxing units in the manner prescribed in subsection (b). The redevelopment commission may not authorize an allocation of property tax proceeds under this subdivision if to do so would endanger the interests of the holders of bonds described in section 25 of this chapter.

(e) Notwithstanding any other law, each assessor shall, upon petition of the redevelopment commission, reassess the taxable property situated upon or in, or added to, the district effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the district, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located, is the lesser of:

- (1) the assessed value of the taxable property as valued without regard to this section; or
- (2) the base assessed value.

Sec. 19. (a) A redevelopment commission may, by resolution, provide that each taxpayer in a district that has been designated as an allocation area is entitled to an additional credit for taxes (as defined in IC 6-1.1-21-2) that, under IC 6-1.1-22-9, are due and payable in May and November of that year. One-half (1/2) of the credit shall be applied to each installment of property taxes. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district that contains all or part of the cultural and performing arts development district:

STEP ONE: Determine the part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) through IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

- (A) the part of the county's total eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by
- (B) the STEP ONE sum.

**C
o
p
y**

STEP THREE: Multiply:

(A) the STEP TWO quotient; by

(B) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district that would have been allocated to the cultural and performing arts development fund under section 18 of this chapter had the additional credit described in this section not been given.

The additional credit reduces the amount of proceeds allocated and paid into the cultural and performing arts development fund under section 18 of this chapter.

(b) The additional credit under subsection (a) shall be:

(1) computed on an aggregate basis of all taxpayers in a taxing district that contains all or part of a cultural and performing arts development district; and

(2) combined on the tax statement sent to each taxpayer.

(c) Concurrently with the mailing or other delivery of the tax statement or any corrected tax statement to each taxpayer, as required by IC 6-1.1-22-8(a), each county treasurer shall for each tax statement also deliver to each taxpayer in a cultural and performing arts development district who is entitled to the additional credit under subsection (a) a notice of additional credit. The actual dollar amount of the credit, the taxpayer's name and address, and the tax statement to which the credit applies must be stated on the notice.

(d) Notwithstanding any other law, a taxpayer in a cultural and performing arts development district is not entitled to a credit for property tax replacement under IC 6-1.1-21-5.

Sec. 20. (a) The state board of accounts and the department of local government finance shall adopt the rules and prescribe the forms and procedures that the state board of accounts and the department of local government finance consider appropriate for the implementation of an allocation area under this chapter.

(b) After each general reassessment under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the cultural and performing arts development fund under section 18 of this chapter.

Sec. 21. (a) After entering into an agreement under section 14 of this chapter, the redevelopment commission shall send to the department of state revenue:

(1) a certified copy of the designation of the district under

**C
o
p
y**

section 13 of this chapter;

(2) a certified copy of the agreement entered into under section 14 of this chapter; and

(3) a complete list of the residents and employers in the district and the street names and the range of street numbers of each street in the district.

The redevelopment commission shall update the list provided under subdivision (3) before July 1 of each year.

(b) Not later than sixty (60) days after receiving a copy of the designation of the district, the department of state revenue shall determine the gross retail base period amount and the income tax base period amount.

Sec. 22. Before the first business day in October of each year, the department of state revenue shall calculate the income tax incremental amount and the gross retail incremental amount for the preceding state fiscal year for each district designated under this chapter.

Sec. 23. (a) The treasurer of state shall establish an incremental tax financing fund for each district designated under this chapter. The fund shall be administered by the treasurer of state. Money in the fund does not revert to the state general fund at the end of a state fiscal year.

(b) Subject to subsection (c), the following amounts shall be deposited during each state fiscal year in the incremental tax financing fund established for a district under subsection (a):

(1) The total amount of state gross retail and use taxes that are remitted under IC 6-2.5 by businesses operating in the district, until the amount of state gross retail and use taxes deposited equals the gross retail incremental amount for the district.

(2) The total amount of the following taxes paid with respect to wages earned for work in the district, until the amount deposited equals the income tax incremental amount:

(A) The adjusted gross income tax.

(B) The county adjusted gross income tax.

(C) The county option income tax.

(D) The county economic development income tax.

(c) Not more than a total of five million dollars (\$5,000,000) may be deposited in a particular incremental tax financing fund for a district over the life of the district.

(d) On or before the twentieth day of each month, all amounts held in the incremental tax financing fund established for a district

1 shall be distributed to the redevelopment commission for deposit
 2 in the cultural and performing arts development fund established
 3 under section 24 of this chapter.

4 Sec. 24. (a) Each redevelopment commission that establishes a
 5 district under this chapter shall establish a cultural and
 6 performing arts development fund to receive:

7 (1) property tax proceeds allocated under section 18 of this
 8 chapter; and

9 (2) money distributed to the redevelopment commission under
 10 section 23 of this chapter.

11 (b) Money deposited in the cultural and performing arts
 12 development fund may be used by the redevelopment commission
 13 only for one (1) or more of the following purposes:

14 (1) Acquisition, improvement, preparation, demolition,
